Dear Parent

Religious Studies Education

On Thursday 15 February, we will be delivering Religious Studies education to our Year 10 students. This will take place during period 1 and period 2.

This reflects statutory requirements for the teaching of Religious Studies and is an important aspect of our education provision. Understanding the key religious beliefs and practices and the impact these have on society, empathising with the values of others and debating effectively are key skills for our learners in our multi-cultural, globalised world.

This session will focus on Muslim beliefs and practices, in particular the relevance of Tawhid and the significance of Hajj.

If you have any queries regarding the above, please do not hesitate to contact me on the school telephone number or via email suzanne.smith@caisteracademy.org.uk.

Yours faithfully
