Dear Parent

Year 9 into 10 Options Evening

As part of the process of choosing Year 10 options, we would like to invite you to join us on Tuesday 19 March at 5.30pm for our Options Evening. The purpose of this evening is to provide both students and parents with information regarding the options process, and a chance for you to speak directly with course leaders about their subjects.

Details of the evening

- Arrival and registration will begin at 5.00pm. Please report to the Sports Hall foyer via the main playground.
- There will be two short presentations: one by myself outlining the options choices process and another by Sarah Sharpe, Director of Year 10 and Senior Year, on vocational courses and the requirements to be successful.
- Following the presentations, there will be an opportunity to visit stalls for each subject where you can find out about the skills and knowledge that will be developed, how the course is assessed, and the future careers and further education that would lead on from each qualification.
- You will be able to take away information that will allow you to support your child in making decisions linked to the next stage of their education.

To confirm your attendance, please use the following link [Options Evening Confirmation](#).

Yours faithfully
