All students	<ul style="list-style-type: none"> All students across all year groups will have the opportunity to accrue and earn reward points across the academic year. This will combine whole school reward points and homework points. Students will be able to spend these reward points in our rewards shop throughout the year. We will also have special reward days and sprint weeks where students can <i>power up for prizes</i> and earn more points. Running alongside this, students will have the opportunity at various stages throughout each term to be gifted with a Caister Reward Coin. Students can take their coin to the Rewards Shop to trade in for a lucky dip prize.
