Dear Parent

### **Summer Term – Principal's Roundup - 4**

Another busy and successful week here at Caister Academy.

Please see highlights from the week below:

- Year 7 students' work with regards to independent study has been phenomenal and both Mrs Baldwin, Head of Year 7, and Miss Newbury, Assistant Head of Year 7, couldn't wait to share students' success.
- A group of 45 Year 8 and Year 9 students interested in expanding their experiences within science, travelled to London to take part in the Harry Potter Warner Brother Studios trip. Students took part in a range of activities looking at how science has influenced the film industry and learnt about potential careers within science and STEM.
- Miss Jackman, Teacher of Physical Education, praised Year 9 students for their fantastic efforts in PE lessons, despite the cold and windy weather, all students were extremely engaged and demonstrated a great growth mindset. Well done Year 9!
- Miss Brookes, Catering Technician, praised Year 10 catering students for their efforts in the kitchen. Students created raspberry roulades and Miss Brookes took great delight in taste testing.
- Senior Year students are absolutely blowing us away with their attitude, maturity and 100% attendance during their final examinations. Students have been leaving the sports hall extremely positive and pleased with their efforts. It's great to see how they encourage each other prior to the examinations during their booster and warm up sessions. We couldn't be prouder of them and wish them the very best of luck over the next week. A reminder that we have booster sessions taking place over the half term holiday, to book your child's place please use the following link [Senior Year- May Half Term Boosters](#).

  - Second place – 8RMA (95.0%)
  - Third place – 9VBE (95.0%)

### **Principal's Learner of the Week**

Congratulations to Cohen Sanders, Senior Year, who won Principal's Learner of the Week. Cohen is extremely enthusiastic towards all of his subjects, wants to achieve the best possible outcomes, and always asks his teachers what more he can do.

### **Attendance**

Attendance has been higher than the national average again this week and we would like to thank you for your continued support to ensure that our young people attend daily. As we enter the final week of the half term, it is important that we maintain this. Therefore, we have some extra special rewards next week for those in attendance. All students have to do is attend each day to have a chance of gaining a fabulous reward.

Thank you for your continued support, I look forward to writing to you again next week.

Yours faithfully
