Practice	What?	Who?
Look at the weather forecast for your local area for the next 3 days. <ul style="list-style-type: none"><li>Write down the temperature, type of weather (e.g. sunny, rainy), and wind speed.</li><li>Then answer: Is this weather typical for this time of year? Why or why not?</li></ul>	What is the difference between <b>weather</b> and <b>climate</b> ? Research this and write a short explanation with examples.	<ul style="list-style-type: none"><li>Who was Luke Howard?</li><li>What did he discover?</li><li>Why is his work still important?</li></ul>
