<p>Look up the current population of the UK and Nigeria. Then answer:</p> <ul style="list-style-type: none"> • Which country has the higher population? • Which country has the higher population density? • Why might population density be different even if one country is larger in size? <i>(Hint: Think about land area and urbanization.)</i> 	<p>What is the Demographic Transition Model (DTM), and what does it show?</p>	<p>Who was Hans Rosling?</p>
