Troubleshooting

I entered my email address, but I didn't receive an email to reset my password.

1. *Try checking your junk box in your emails to ensure the link isn't there.*
2. *Re-enter your password checking that it is spelt correctly.*
3. *Contact the school to check that we hold your most up-to-date email contact details.*

My child is in Year 7 and I haven't given the school my contact email address yet.

1. *Contact the school to provide us with your contact email address. Wait two days, then follow the steps to register.*
