

Raising your Achievement in Year 11: Geography

What have we studied in Year 10?

- *People and The Biosphere*
- *Consuming Energy Resources*
- *Forests Under Threat*
- *UK Physical Landscapes*
- *UK Human Landscapes*

What will we be learning in Year 11?

- *Geographical Fieldwork*
- *Development Dynamics*
- *Urbanising World*
- *Hazardous Earth*

We will offer the following support...

- *Bespoke intervention sessions for all students that need additional challenge or support*
- *A free GCSE revision guide*
- *1 to 1 support*

We recommend the following revision guides or websites...

Quick tips to boost your achievement

1. Find a 'study buddy' that you can learn with
2. Use revision flashcards to consolidate your learning
3. Use your PLC (personal learning checklist) to identify your areas of strength and those that need development.
