Dear Year 11 Parent

Achievement, Rewards and Careers Evening – 30 September

Year 11 is a crucial year and it has been excellent to see students so focused on their learning from the start of term.

I am excited to be able to welcome parents back to on-site events, with this year's programme beginning with our **Achievement, Rewards and Careers Evening on 30 September 2021, from 5pm to 7pm.**

During this evening we will be celebrating the achievements of students over the last academic year, before turning our attention to the future. Representatives from the local further education institutes, including East Norfolk Sixth Form, East Coast College and Paston College / City College, will deliver key information about what pathways are open to students when they graduate from Caister Academy. Following these presentations, refreshments will be available, and you will be able to speak directly to our guests and core curriculum leaders about how you can support your child in achieving their potential and following their ambitions.

Please use the link below to indicate your attendance at the event. I look forward to seeing you in person.
